FOOD, LIFE & STYLE FROM BROOKLYN, NEW YORK.

About *Stephanie*

food first, life woven in.

I'm a Brooklyn-born creative and storyteller with Trinidadian and Ecuadorian roots, proudly married into Haitian culture, raising two boys in New York City.

I built my first decade in plus-size fashion and beauty, partnering with brands including Bulgari, Steve Madden, and Drunk Elephant, making national commercial appearances, and developing a full production practice behind the camera as well as in front of it.

Then I stepped away for three years to raise my family. I came back to food: honest restaurant reviews, recipes worth saving, the city one meal at a time. It has become the strongest work I've made.

This is the two halves brought together. Food is the spine. Life and style are woven back in, where they always belonged.

PLATFORM ANALYTICS · 28–30 DAYS ENDING 28 JULY 2026

PLATFORM	FOLLOWERS	REACH / VIEWS	ENGAGEMENT	STANDOUT
Instagram (PRIMARY)	22,464	14,884 reached / mo	8.2%	72.5% non-followers
TikTok	6,576	621.9K views / yr	9.3%	11,000 shares / yr

72.5% of my views come from people who don't *follow me yet.*

My work functions as discovery, not as a note to an existing list. An 8.2% engagement rate against accounts reached sits well above the 1–3% typical at this size.

11,000 shares in *twelve months.*

Against 621,900 TikTok views, a 1.8% share rate. A share means someone decided a dish was worth sending to a specific person by name. It is the closest free proxy for purchase intent I have.

Primary languages

Overwhelmingly women in their late twenties to mid-forties who cook, host, and plan the family's meals. They save recipes and actually make them. Peak activity is 12–3 PM, Sunday through Tuesday.

Named plainly: about half my audience sits outside the US. For US-only delivery, plan around 10,400 US followers. For brands that ship internationally, or that want genuine reach into Caribbean, Latin American, and diaspora food audiences, that spread is the asset.

What I *make*

three rooms, one house.

Food

The spine, and my discovery engine. Honest reviews, recipes, and product used the way a real cook uses it.

Life

The Table We Share. Home, hosting, motherhood, faith, and the city: cinematic and unhurried.

Style

Back after a decade in plus-size fashion and beauty. Styled, on camera, and honest about fit.
